## Talk it up with your crew & colleagues

Plan ahead to be in Moncton, New Brunswick on April 1-2, 2009 to meet with friends and colleagues during this year's Canadian Woodlands Forum Spring Meeting. Come mingle, share experiences and find solutions to your challenges.

## There's something for everyone...

- *What's on the horizon for the forest industry?*
- *Sharing information and solutions to avoid costly down-time in your woodlands operation.*
- *The future of the wood fiber supply chain - are we facing a logging capacity shortage?*
- *Learn about new tools to improve operational efficiencies and help you manage your business.*
- *Timely updates on research, silviculture practices and developments in wood products from FPInnovations and the Canadian Wood Fibre Centre.*
