Members of the NB Forest Technicians Association,

I wanted to pass along to the membership my appreciation and thanks for the honorary membership and gift from NBFTA. It was truly a surprise.

I have been very pleased with my association with NBFTA and getting to know the members. Technicians play a vital role in our forestry community. The Technician of the Year Award is important recognition of an outstanding individual by his peers. It also signals to the rest of the forestry community the important role your association and its members play in the New Brunswick forestry sector.

Again, thank you and I look forward to continuing supporting NBFTA.

Regards,
