

Workshop Announcement

Protecting the Future of our Forests: A Strategy to Suppress a Spruce Budworm Outbreak

February 22, 2017

Rodd Hotel

1809 Water St, Miramichi, NB

9:00 am until 12:00 pm

8:30 Registration

The workshop will describe research carried out as part of the Spruce Budworm Early Intervention Strategy Project. The workshop will include an update on the research project, current budworm scientific knowledge, and infestation status.
